

## Bull Buying Just Got Easier

### Reserve Your Future Herd Sire with Confidence

We make it simple to secure the bull you want—without the stress or guesswork.

#### ✓ How It Works:

- **Choose Your Bull:** Browse our available prospects and select the one that fits your program.
- **Say “Hold It”:** Let us know which bull you want to reserve.
- **Send a \$100 Hold Check:** Fully refundable, this deposit ensures your bull is held exclusively for you. At the time of pick up you can pay the balance. All bulls are priced between 5500-6000.
- **Fertility Tested Guarantee:** Each bull will be professionally fertility tested between 13–14 months of age.
- **Pickup Window:** Bulls will be ready for pickup between **November and January**, depending on age and test timing.

We stand behind our bulls—and your decision. Let us help you build your herd with confidence and quality.
